We are part of a pioneering project called the "**Leadership Track.**"

This is put on through Victory Churches International and partnering with Victory Bible Colleges Int'l to give local Churches access to the tools needed to identify, train, and equip leaders.

This is the place where you can begin your studies in the Word of God, and start growing and developing in your God-given destiny. These Bible College courses are applicable to Certificates, Diplomas, and Degrees through Victory Bible Colleges International if you should choose to go further and get credited for the courses you take.

Our graduates have gone on to globally impact politics, businesses, churches, Bible Colleges, and mission outreaches. What will you do?
